Investors should carefully read the prospectus, the key investor information document and all other relevant documentation before investing in the Fund. Past performance does not guarantee future results. The Sub-Fund is actively managed without reference to any benchmark. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance of the Fund may be lower or higher than the performance quoted. The S&P 500 NR Index is a market-value weighted index consisting of 500 stocks chosen for market size, liquidity, and industry group representation. The Russell 1000 Value Index measures the performance of those Russell 1000 companies with lower price-to-book ratios and lower forecasted growth values. Both indexes include a 30% withholding for non-US securities. One cannot invest directly in an index. This does not constitute the solicitation of an offer to purchase or subscribe for any investment, financial instrument or service in any jurisdiction where such a solicitation of an offer is unlawful. The Fund is only available for investment by non-US citizens who are not residents of the US. The Fund is not offered for sale or sold in the US, its territories or possessions. The Fund is not registered for sale to the public in all jurisdictions. The information contained herein has not been reviewed in light of your personal circumstances. The management company may decide to terminate the arrangements made for the marketing of its collective investment undertakings in accordance with Article 93a of Directive 2009/65/EC and Article 32a of Directive 2011/61/EU.
